## INTERNATIONAL PI

| Box No. I Basis of the report  |           |  |  |
|--|-----------|--|--|
| <ol> <li>With regard to the language, this report is based on the international application in the language in which it was filed, ur<br/>otherwise indicated under this item.</li> </ol>  | ıless     |  |  |
| This report is based on translations from the original language into the following language which is the language of a translation furnished for the purposes of:  |           |  |  |
| international search (under Rules 12.3 and 23.1 (b))   |           |  |  |
| publication of the international application (under Rule 12.4)   |           |  |  |
| international preliminary examination (under Rules 55.2 and/or 55.3)   |           |  |  |
| 2. With regard to the elements of the international application, this report is based on (replacement sheets which have been furnished to the receiving Office in response to an invitation under Article 14 are referred to in this report as "originally filed" and are not annexed to this report): | ,         |  |  |
| the international application as originally filed/furnished  | •         |  |  |
| X the description:   |           |  |  |
| pages as originally filed/furnished  |           |  |  |
| pages* 1-13 received by this Authority on 4 May 2005 with the letter of 4 May 2005  pages* received by this Authority on with the letter of  |           |  |  |
| X the claims:  |           |  |  |
| pages as originally filed/furnished  |           |  |  |
| pages* as amended (together with any statement) under Article 19   |           |  |  |
| pages* 14-16 received by this Authority on 4 May 2005 with the letter of 4 May 2005  |           |  |  |
| pages* received by this Authority on with the letter of X the drawings:  |           |  |  |
| pages 1/2-2/2 as originally filed/furnished  |           |  |  |
| pages* received by this Authority on with the letter of  |           |  |  |
| pages* received by this Authority on with the letter of  |           |  |  |
| a sequence listing and/or any related table(s) - see Supplemental Box Relating to Sequence Listing.  |           |  |  |
| 3. The amendments have resulted in the cancellation of:  |           |  |  |
| the description, pages   |           |  |  |
| the claims, Nos.   |           |  |  |
| the drawings, sheets/figs  |           |  |  |
| the sequence listing (specify):  | •         |  |  |
| any table(s) related to the sequence listing (specify):  |           |  |  |
| 4. This report has been established as if (some of) the amendments annexed to this report and listed below had not been made, since they have been considered to go beyond the disclosure as filed, as indicated in the Supplemental Box (R 70.2(c)).  | n<br>lule |  |  |
| the description, pages   |           |  |  |
| the claims, Nos.   |           |  |  |
| the drawings, sheets/figs  |           |  |  |
| the sequence listing (specify):  |           |  |  |
| any table(s) related to the sequence listing (specify):  |           |  |  |
| * If item 4 applies, some or all of those sheets may be marked "superseded."   |           |  |  |

## Supplemental Box

In case the space in any of the preceding boxes is not sufficient.

Continuation of: Box III.1

The amended independent claims 1 and 14 introduce features and limitations that were not covered by the corresponding International Search Report. It is noted that none of the original claims 1-16 supported the feature/limitation that the rotating cylinder block <u>fully encloses</u> at least one chamber in which the piston(s) can reciprocate
